Quarterly Wine Deliveries

We provide hand-selected, limited production, artisan wines for you every quarter. We would love to do it more often, but we taste through well over 100 wines to uncover the 7 wines for our Five Vines Wine Club Members and it takes time to get it right!

Wine Club Pick-up Parties

These parties are a unique event where we provide a structured tasting through all 7 wines within the 3 club levels. It is a fun and casual environment where we taste, talk and learn about the wine club wines.

Member Discounts!

What is better than great wine? Great wine at a discount! We provide a variety of discount options for our Five Vines Wine Club Members including 10% discount off bottles purchased to drink in house, 15% discount off all retail bottle purchases to-go, 20% discount off on all case purchases.

Wine Pick-Up Policy

Due to the limited space at Five Vines Wine Bar, we cannot hold wine club shipments. We offer consecutive days each quarter for wine club members to pick-up shipments. A calendar of dates will be provided via email. If you are unable to pick up your wine shipment, we will ship it to your address on file. (shipping and packaging costs apply)

Cancellation Policy

There is no fee to join the **Five Vines Family** Wine Club and you may cancel at any time. Although, we do require a written cancellation request (or email) at least two weeks prior to the next pick-up date. You are responsible for any charges accrued prior to the receipt of your cancellation request.
